About Sono Calm Jeju

Sono Calm Jeju is located in the southern end of Jeju Island near Pyoseon. The resort offers the best ocean views of the emerald ocean mixed with basalt. Your special trip will be completed when you visit our palm tree garden, full of Washington palm trees and canary palm trees, the ocean trail greets guests with camellia, royal azalea and Satsuki azalea each season. Sono Calm Jeju is where you can enjoy both the taste and culture of Jeju.
