### **About Malindo Air**

Established in 2013, Malindo Air is an up-and-coming airline based in Malaysia with headquarters in Petaling Jaya, Selangor. There is a way of giving you low air fare with premium in-flight services included, that means the baggage allowance and in-flight entertainments are taken care of. The fleet of Boeing 737-800, Boeing 737-900ER and ATR72-600 aircraft flies to domestic and international destinations operated centrally from Kuala Lumpur International Airport.
