**Business Promo Free Baggage Allowance (FBA) Revision**

Please be informed that effective 26<sup>th</sup> July 2019, Malindo Air will be revising its Business Promo FBA from 40kg to 30kg excluding journeys to and from DAC which remains at 40kg.

The revised FBA of 30kg will be applicable to the following from 26<sup>th</sup> July 2019:

1. Business Promo (RBD I) ticket issuance
2. Voluntary reissuance from RBD I to RBD I (date change, rerouting within the same country etc.)
3. Last Minute Upgrade (LMU) even if seat is taken from "C" class allocation

We will honour the current FBA of 40kg for Business Promo tickets issued prior to 26<sup>th</sup> July 2019.

Passengers with Business Promo tickets purchased or reissued after 26<sup>th</sup> July 2019 who require 40kg check-in baggage will have the following options:

- Perform standard exchange of ticket to BC Flexi (pay fare difference between RBD of purchased ticket and lowest available of RBDs D, J and C + applicable exchange fee)
- Purchase extra baggage

Kindly ensure that this revision is cascaded to all front liners and departments concerned.
